Between Giants – International Summer School

Posted on: 17-09-2025

On 8–13 September, our Institute co-organized the international summer school “Between Giants: Local Responses to Global Power Dynamics. Eastern Europe, Caucasus and Central Asia.”

Students from all over the world – from Mexico to Japan – came together to reflect on the consequences of life between empires. The program included lectures, field trips, museum visits, and discussions of participants’ papers.

The summer school was co-organized by Zuzanna Bogumi?, and among the keynote speakers were [Iwona Kaliszewska](#) [1] and Margaret Comer from our Institute.

We would like to thank all participants for the inspiring discussions and the unforgettable atmosphere!
