17.01.2020 dr hab. Agnieszka Ko?cia?ska wyg?osi wyk?ad w Amsterdam Research Centre for Gender and Sexuality (University of Amsterdam)

"Profiled cafes, beaches, and various associations": Polish sexology, queerness, and the Cold War

The development of LGBTQ identity and rights in Poland is usually situated in the 1980s when the first queer magazines were published and the first associations were founded. In this talk, I look at processes that set the stage for this development.
